About Us

Titus 2 Foundation is a 501(c)(3) non-profit organization created to help students from non-traditional families navigate their high school careers and make informed decisions regarding their post-secondary options.

Our Mission

To empower underserved high school students to become productive, purpose-driven citizens through strong partnerships with families, schools, and communities.

Our Vision

AIA future where every student graduates high school prepared, supported, and empowered to pursue their post-secondary goals.

Our Impact

22 scholarships awarded in 6 years

Over \$25,000 awarded since 2020

Supported students from 8 area schools

About Educator Impact Awards

Scholarship Gala

The Educator Impact Award was created to honor those in the field of education who have made an impact on the lives of others. During the pandemic those who worked in education were greatly impacted by the effects of virtual learning and the uncertainty of the future. As a former teacher Dr. Dawn thought it was the right time to recognize the efforts of educators in the St. Louis region. It is important to give honor where honor is due. We hope to honor many more educators in the years to come. In 2022 we introduced the Pillar Award which is a lifetime achievement award dedicated to those who have retired from the field of education with over 30 years of service.

In addition to honoring the educators, the recipients of the Towles Family Scholarship are recognized and receive their checks while highlighting their accomplishments and future goals. This will be our first year having a gala as we celebrate 5 years of awarding over scholarships to deserving students.

The Scholarship Gala will be an evening filled with inspiration, celebration, and community support. Guests will enjoy a cocktail reception, dinner, entertainment, and opportunities to learn more about our organization's impact on the lives of students in our community.
